

Remarks

This amendment is being submitted to revise foreign priority claims for U.S. examination.

New claims 12-19 have been added that are similar to original Claims 2-8. No new matter has been presented. Method Claim 19 is described on pages 30-31 of the specification.

It is believed that this application is ready for examination, and that upon a review of the prior art, it will be readily seen that the application is allowable. Early action to that end is earnestly solicited.

Respectfully submitted,

Attorney for Applicant(s)
